FOR IMMEDIATE RELEASE

Topanga Canyon Drainage Repairs Beginning

TOPANGA CANYON – Work will begin Thursday, September 29, on replacing two storm-damaged drainage systems on Topanga Canyon Road (Route 27).

The work, between Falls Drive and Fernwood Pacific Drive, will take approximately two weeks. One lane may be closed intermittently between the hours of 9 a.m. and 3 p.m. Monday through Saturday but the majority of work will not require lane closure. When the lane is closed, flaggers will be on site to facilitate use of the other lane.

Replacing the drains will increase storm water capture efficiency.

Caltrans reminds motorists to slow for the cone zone.
